

HOSPITALITY RECRUITMENT PROGRAM

With the existing workforce challenges in the hospitality industry, ORHMA is taking action to make staffing easier for employers and is now working with AMK Global who has assembled a team of experts that will bring your establishment qualified, pre-interviewed candidates to fill a number of positions including **line cooks, bakers, butchers, restaurant managers, housekeepers** and more.

About the Hospitality Recruitment Program:

AMK Global works with members of ORHMA and Service Canada to facilitate the hiring of qualified, English-speaking, full-time staff for work in Canada under the Federal Government's Labour Market Assessment Impact (LMIA) program.

How This Program Works:

- AMK Global offers access to pre-interviews, qualified, potential candidates to work at your establishment
- Positions include **line cooks, bakers, butchers, restaurant managers, housekeepers** and more!
- Interview and select your employees via SKYPE video interviews
- Employees are responsible for their own airfare, accommodations and housing
- Employees work **exclusively** for your establishment on a two-year closed work permit
- Average wage is **\$14 per hour** and must be guaranteed 35 hours per week
- All Service Canada requirements will be completed on behalf of employer by AMK Global
